

HELLION 45

The Shaw Armament Systems ThunderCan Hellion 45 is a purpose built .45 caliber handgun suppressor delivering excellent sound reduction and tone in a lightweight package. Constructed of a combination of aluminum and titanium, it achieves an excellent balance of size and weight to durability for your 45 caliber applications. Compatibility with 1.203"x28 mounting solutions gives the end user multiple options for attaching the suppressor to the host platform by utilizing an external booster, quick detach systems (including 3 Lug), or direct thread mounts. The Hellion 45 is a fully user serviceable suppressor with trouble-free disassembly for maintenance and cleaning.
